Bag lady, you gone hurt your back  
Draggin' all them bags like that  
I guess nobody ever told you  
All you must hold on to, is you, is you, is you

One day, all them bags, gone get in your way  
One day, all them bags, gone get in your way  
I said, one day, all them bags, gone get in your way  
One day, all them bags, gone get in your way

So pack light  
Pack light  
Pack light  
Pack light

Bag lady, you gone miss your bus  
You can't hurry up 'cause you got too much stuff  
When they see you comin, niggas take off runnin'  
From you, it's true, oh yes they do

One day, he gone say, you crowdin' my space  
One day, he gone say, you crowdin' my space  
I said, one day, he gone say, you crowdin' my space  
One day, he gone say, you crowdin' my space

So pack light  
Pack light  
Pack light  
Pack light

Girl I know, sometimes it's hard and we can't let go  
Oh, when someone hurts you  
Oh, so bad inside  
You can't deny it, you can't stop cryin'

So oh, oh oh, if you start breathin'  
Then you won't believe it  
You'll feel so much better  
So much better baby

Bag lady  
Let it go, let it go, let it go, let it go

Girl, you don't need it  
I betcha love can make it better

Bag lady  
Let it go, let it go, let it go, let it go, ooh, ooh  
Girl, you don't need it  
I betcha love can make it better

Betcha love can make it better  
Betcha love can make it better  
Betcha love can make it better

Bag lady  
Let it go, let it go, let it go, let it go  
Girl you don't need that
