Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

You know I love it when they play my beat real loud
Because it moves the band and then it moves the crowd
You know I love it when they play my shit sky high
It puts me in a daze and

Oh oh oh oh
Ooh baby before you bump it
Won't you shake it just a little for me
Oh oh oh oh
Wait a minute before you buss it
Can you roll a lickle' something for me

Oh oh oh oh
Ooh baby before you bump it
Won't you shake it just a little for
Oh oh oh oh
Wait a minute before you bump it

Won't you shake it for me, shake it for me, shake it

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

You know I love it when they play my beat real loud
Because it moves the band and then it moves the crowd
You know I love it when they play my shit sky high

Oh oh oh oh
Ooh baby before you bump it
Can you roll a lickle' something for me

Oh oh oh oh
Wait a minute before you buss it
Won't you shake it just a little for me

Oh oh oh oh
Ooh baby before you bump it
Can you roll a lickle' something for me

Oh oh oh oh
Ooh baby before you bump it
Won't you shake it for me, shake it for me, shake it,
shake it,

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well

Push up the fader
Bust the meter
Shake the tweater

Bump it well, well, well
Bump it well, well, well

Push up the fader
Bust the meter
Shake the tweater
Bump it well, well, well
Bump it well, well
Watch this

You know I love it
You know I love it
You know I love it
When we are doin' that

You know I love it baby
You know I love it baby
You know I love it
When we are doin' that

You know I love it baby
You know I love it baby
You know I love it
When we are doin' that

You know I love it baby
You know I love it baby
You know I love it

Push up the fader
Well, well well
