This world is so dramatic

I can't believe
That we're still livin'
Oh, in this crazy, crazy world
That I'm still livin'

With all the problems of the day
How can we go on? Hey
So tired of hearin' people say
"How can we go on?"

Fantasy people
Make believe people
How can you go on? Yeah
But you're still livin'

I can't believe
That we're still livin'
Oh, in this crazy, crazy world
That I'm still livin'

With all the problems of the day
How can we go on? Hey
So tired of hearin' people say
"How can we go on?"

Fantasy people
Make believe people
How can you go on? Hey
But you're still livin'

Race relation, segregation
No occupation, world inflation
Demonstration, mis-education
No celebration to celebrate your lives

Listen, people, listen
Lift your hearts to God
Teach your children wisdom
Reality today so they can live tomorrow

I can't believe
That we're still livin', I can't believe now
Oh, in this crazy, crazy world
That I'm still livin'

With all the problems of the day
How can we go on?
So tired of hearin' people say
"How can I go on?"

Fantasy people
Make believe people
Go on
But you're still livin'

Fantasy people
Make believe people
How can you go on?
But you're still livin'

Listen, people, listen
Lift your hearts to God
Teach your children wisdom
Reality today

Listen, people, listen
Lift your hearts to God
Teach your children wisdom
Reality today

Listen, people, listen
Lift your hearts to God
Teach your children wisdom
Reality today
