"Fall In Love"

You better go back the way you came
Run away, if you stay
Prepare to have your shit re-arranged
The way I say
You better get on the way from here
You gonna see it's gonna be some

Slow thinking and flower bringing
If my burglar alarm starts

You don't wanna fall in love with me
See you don't wanna fall in love with me, no
See you don't wanna fall in love with me
See you don't wanna fa, la, la
Now, now, see

You ain't the worst since when I have done
But you'll do till he comes
So we gonna take this shit from the top
You gotta change jobs and change guys
You better get on the way from here
You gonna see it's gonna be some

Slow thinking and flower bringing
If my burglar alarm starts

See you don't wanna fall in love with me
See you don't wanna fall in love with me, no, no
See you don't wanna fall in love with me, no need
See you don't wanna fa, la, la
Not me, see, there's gonna be some

Slow thinking and flower bringing
If my burglar alarm starts ringing
Slow thinking and flower bringing
If my burglar alarm starts ringing

Slow thinking and flower bringing
If my burglar alarm starts ringing
Slow thinking and flower bringing
If my burglar alarm

See you don't wanna fall in love, no, no
See you don't want to fall in love with me, no need
See you don't want to fall in love with me
See you don't wanna fa, la, la
No, no

See you don't wanna fall in love
See you don't wanna fall in love
See you don't wanna fall in love
Not me

See you don't wanna fa, la, la
No, no
See you don't wanna fall in love with me
See you don't wanna fall in love with me
You don't fall in love with me, no, no, no, no, no

See you don't want to fall in love with me
No, see, no, no, no, no
Fall in love with me, please, no need
Fall in love with me
