[Lion]

And she says she needs more than a friend
That's all I ever been yo
Well one day you gon' overstand yo badu
And I remember the first time that we met yo
How could I forget
When you smiled
And I turned and said to you
Yo, your pure and true

I'm in love with you, in love with you
I'm in love with you, in love with you
I'm in love with you, in love with you
I'm in love with you, in love with you, yeah

I'm so in love baby
I don't care what your mama say
Standing in love lady
And I don't care what your sister say
Yo badu I need ya

[Badu]

He said he's really diggin me
I don't know what to say
I can't imagine why I feel so weak, say, say
That's when he took my heart in his hands
And kissed it gently
He open up his lips then said this poetry
I'm in love with you, love with you
Love with you, love with you
Love with you, love with you
Love with you, love with you

I'm so in love baby
I don't care what your brothers say, no
I'm so in love baby
I don't care what the people say

[Lion & Badu]

Well I try and I try and I try
And I try and I try and I try and I try and I try

[Lion]

And you said you need more than a friend
That's all I've ever been yo
Well one day you gon' overstand yo badu

[Badu]

And when I look In your eyes
I know that you were meant to be
My solider so baby come on
I mean it desperately

[Badu & Lion]

I'm in love with you, love with you
I'm in love with you, in love with you
No see I'm in love with you, love with you
No, no, no I'm in love with you, in love with you

I'm so in love baby
I don't care what the people say
Standing in love lady
And I don't care what your sister say
I'm so in love baby
I don't care what the writers say
(Badu-da-dee..)
I try, I try, I try, I try
You in love with me
You in love with me
No you in love with me
No, no, no you in love with me
No see you in love with me
No, no, no you in love with me
No you think you in love with
No, no, no you in love with me
I know you're in love with me
No, no, no you in love with me
Alright I'm in love with you
Yes I'm in love you

And I'm in love with you
I'm in love with you
I'm in love with you

Yes I'm in love with you
