"Jump Up In The Air (Stay There)"

(feat. Lil Wayne, Bilal)

[Erykah Badu - Chorus]

I know you want to
Jump up in the air and stay there
[repeated]

Jumped up out my seat
I know you want to
Something musta got n me
I know you want to
Church neva felt this good before
I know you want to
'Cept I was at the club
Oh Oh
I know you want to
Bounce Hey come on
I know you want to

I know you want to reach to the higher level
Much further from the devil
Until you feelin the weather
[repeated]

[Chorus]

[Lil Wayne]

Hi - GH20 - now or never
My level far from the devil
Have some manners say hello to to angels
And watch out for Uranus
I go nuts like a Danish
Then vanish into thin air
And stay in there
This is D Carter better bring ya swimwear
Huh, but I'm shallow and when ya this high
Everybody else is balow, oops I meant below
Mijo, zero degreeyo, frio
Get into your soul like Neyo, weeyo
Oh I meant ohwee or is it oohwee
Truly I don't give a fuck I am on the ceiling stuck

Like a fan full of dust
Like her hand full of bucks
I'm spending like crazy
I'm in Wayne's World
Where the women like ladies
And you don't need a telescope to see Weezy F baby

[Erykah Badu]

We don't give a fuck
We're on the ceiling stuck
Like a fan full of dust
Like a hand full of bucks
We're spending like crazy
[repeated]

[Chorus]
