Bring it over here and let's go back  
Way back  
Ooh...  
Way back, yeah  
I met him when I was a  
Little girl, he gave me  
He gave me poetry  
And he was my first  
But in my heart I knew I  
Wasn't the only one  
'Cause when the tables turned  
He had to break but  
Whenever I got lonely  
Or needed some advice  
He gave me his shoulder  
His words were very nice  
But that is all behind me  
'Cause now there is no other  
My love is his and his is mine  
A friend became the  
Love of my life  
You are my friend  
Love of my life  
I can depend  
Love of my life  
Without you, baby  
It feels like a simple true love  
Hope the s\*\*\* ain't clear  
A freak-freak, y'all, and ya don't stop  
To the beat y'all and ya don't stop  
A freak-freak  
How could it be that it was  
All just so simple then  
A teen age lover who said  
He's just a friend  
He moved around and we kept  
In touch through his friend Mike  
The world was young and he knew  
We couldn't rush but  
Whenever I got lonely  
Or needed some advice  
He gave me his shoulder

His words were very nice  
But that is all behind me  
'Cause now there is no other  
My love is his and his is mine  
A friend became the  
Love of my life  
You are my friend  
Love of my life  
Though I can't pretend, yeah, yeah  
Love of my life  
Feels like a simple true love, yeah  
Hope the s\*\*\* ain't clear  
Y'all know how I met her  
We broke up and got back together  
To get her back I had to sweat her  
Thought she roll with bad boys forever in many ways  
Them boys may be better, to grow I had to let her  
(Never)  
She needed cheddar and I understood that  
Lookin' for cheese, that don't make her a hood rat  
(Rat)  
In fact she's a queen to me, her light beams on me  
I love it when she sings to me  
It's like that now  
Love of my life  
Ooh, You know you rock my world and  
Love of my life  
You be boy and I'll be girl and  
Love of my life  
We don't stop until the break of dawn, ooh...  
Love of my life  
Ooh, you know you rock my world and  
Love of my life  
You be boy and I'll be girl and  
Love of my life  
Yeah...
