[Chorus One: Erykah Badu]

When she wants plenty, she gets plenty

When she wants plenty, she gets plenty

When she wants plenty, she gets plenty

Then she gets plenty more, uhh

{repeat Chorus One}

[Guru]

Uhh

Watchin her drivin by, in her new whip so fly

Wish she could sing me a lullaby, to scoop her I've got
to try

In her eyes, there's a flame that burns right through my
soul

Can't pretend to be cool, about to lose my control

Yeah I know she's got plenty; admirers, she's got many

Like an exotic fantasy, into a frenzy she sends me

Wow I have to sit down, and gather my wits now

I wanna caress those hips now, wanna kiss those lips
now

[Badu]

Hello? Hey babyyy

I know you called and I didn't answer twice

But baby that's oh-kay it's nice

For you to call anyway see, okay, see uhh

Hey babyyy

You know it's okay if you don't call me

Anymore cause I got a-plenty

Truckload of niggaz like you at my door {*dial tone*}

[Chorus One]

[Guru]

Yup

And every day is her day, and every year is her year

Anyone tried to violate, they could straight dissappear

She don't care if you play yourself, tryin to step to her

The illest of gangsters, I show and respect to her

Truly glamorous, she ain't impressed and it shows

She don't like your new clothes, she don't care about
your playa pose

Do you suppose I could hook up and spend time with
her?

She's just how I dreamed - I'll bust my nine for her

[Chorus Two: Erykah Badu]

When she gets plenty, she gets plenty
When she gets plenty, she gets plenty
When she wants plenty, she gets plenty
Any damn thang she wants, uhh
[Guru]
Uhh
Surgeon General - I provide vit
