Sometimes I don't love you anymore
Sometimes I'm in love with you
Sometimes I think that I'm going mad
Sometimes I do well

Meanwhile you been runnin' through my dome
Meanwhile won't leave me alone
Oh Chile why it got to be this way?
Oh Chile gone on

Can you tell me where, oh where, oh where?
Where did the love go?
Where did the love go?
Where did the love go?

Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?

Sometimes I think that you're draining me
Sometimes I want you at home
Sometimes I feel like forgiving you
Sometimes I don't, well

Meanwhile I cannot blame you, my love
Meanwhile I'm sitting here alone
Oh Chile this love affair ain't what it was?
Oh Chile gone on

Can you tell me where, oh where
Oh where, where?
Where did the love go?
Where did the love go?
Where did the love go?

Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?

Can you tell me where, oh where?

Where did the love go?
Where did the love go?
Where did the love go?

Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?

Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?
Where did the love go?
