[Rahzel]: (Erykah):

Rahzel makes the beat with mouth

(Hmm)

Yeah, show you right

Come on

[Erykah]:

Sing a lang sang, sing a lang song

Sing a lang sang, sing a lang song

Sing a lang sang, sing a lang song

Twang, twang, twang, twong

I'm from the South

I'm a Southern Girl

Home of the burning church

Don't know much about the world

Home of the pocket stones

Home of the booty songs

Home of the finger wave that lasts

All night long

Home of the On & On

Home of the dominoes

Home of the two piece and the cat fight

Home of the teeth is gold

Home of the never miss

Home of the platinum hits

I'm a Southern Girl (Southern Girl)

Countryfied

Everything I eat is fried

Gotta Southern draw

I'm so country y'all

Well that's way down South

Yeah it's way down low

Check my Southern fried style

And my Southern flow

(Southern Girl)

Countryfied

I like my Tofu fried
Got about a hundred friends
That ain't caught on the trends
Don't know about the internet
Don't know about the radio
Don't know about the television
All I know is about my flow
I'm ten-four check me out
To make money for the house
Hooked up with my boy Rahzel
I sure hope the record sales
(Southern Girl)

Southern Girl, and I'll rock your world
Fly as a bumble bee (buzz)
Can't nobody f*** with me
I'm a Southern Girl
>From way down South
Got a dirty wave
Cause I got a dirty mouth, dirty South
