Ohh ah oh ah  
Ohh ah hoo hoo  
Ohh ah oh ah  
Ohh ah hoo hoo

Please stay with me now  
Don't you let me go  
I'll make it somehow  
I got to let you know

That I'll make it somehow, someway  
Though I wait on the day  
What I'm doin' is gotta pay  
Someway, somehow

My baby, when he cries  
It's 'cause somethin's on his mind  
This world's full of lies  
You an' me are one of a kind

The good Lord will stand behind every step  
We are blind to fate, that's life

Ohh ah oh ah  
Ohh ah hoo hoo  
Ohh ah oh ah  
Ohh ah hoo hoo

Stay, stay  
(Baby, I want you, please)  
Stay, stay  
(Said I want you, please)  
Stay, stay  
(Stay)  
Stay, stay  
(Stay)

It fits but you can't make it work  
'Cause there is pain, there's gotta be hurt  
But the green grass grows from the dirt, baby  
That's a fact of life, and that's life

Could your love stand behind every step  
We are blind to fate, that's life

Ohh ah oh ah  
Ohh ah hoo hoo  
Ohh ah oh ah  
Ohh ah hoo hoo

Stay, stay  
(Baby, [Incomprehensible])  
Stay, stay  
(I said I want you, please)  
Stay, stay  
(Please)  
Stay, stay  
(Stay)

Stay  
Ohh ah oh oh oh ah  
Stay  
Ohh [Incomprehensible] you please  
Stay  
(Together, together)  
Stay

Listen, oh oh oh oh ah, help me sing it  
Ohh ah  
Huh, sounds good to me, hey  
Oh oh oh oh ah, sing it, baby  
(Ohh ah)  
Oh oh oh oh ah

Ohh ah oh ah  
Ohh ah hoo hoo  
Ohh ah oh ah  
Ohh ah hoo hoo
