Telephone...  
It's old dirty  
He wants to give you directions home  
Said it wont be too long  
The day is gone..  
It's 3:30..  
To hungry for sum love, love  
Last forever

Just fly away to heaven brother  
Make a place for me brother  
Fly away to heaven brother  
Save a place for me brother  
Fly away to heaven brother  
Put in a word for me...  
Telephone  
Hmmmmmm

Telephone,  
It's old dirty..  
He wants to give you directions home  
Said it wont be too long  
Said it wont be too long

Telephone...  
It's too early  
We want to hear a long song..  
Transition with a real slow fade

Just fly away to heaven brother  
Make a place for me brother  
Fly away to heaven brother  
Save a place for me brother  
Fly away to heaven brother

Put in a word for me...  
Telephone  
Ooooh

Transistion time to go away  
Time to go away  
Slow fade...

Slow, slow fade ohhhhhh

Just fly away to heaven brother  
Make a place for me brother  
Fly away to heaven brother  
Save a place for me brother  
Fly away to heaven brother  
Put in a word for me..  
Fly away to heaven brother  
Celebrate (celebrate)

Gather on the hill  
Two hearts up in the sky  
Celebrate your life  
Ohh, say I love you

Gather on the hill  
Two hearts up in the sky  
Celebrate your life  
Ohh, say I love you

Gather on the hill  
Two hearts up in the sky  
Celebrate your life  
Ohh, say I love you

Mmmmm, mmmmmmm, mmmmmmm  
Mmmmm, mmmmmmm, mmmmmmm,

[Fade]
