Yeah

Time's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll land

Run baby, run, run
Where you runnin to?
And who you runnin from?
Some people may not understand
What it means to be a man
Takin' full command
Cause we're

Livin in a world that's oh so strange
Boy don't let your focus change
Takin out the demons in your range, hey
Livin in a world that's oh so fast
Gotta make your money last
Learn from the past, oh

Time's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll land

Sweet love and sunshine
If it's all in the air
Then it's all on your mind
Breathe baby
Come back to the world
Dig up all your pearls

Teach the boys and girls, hey

Livin in a world that's oh so strange
Boy don't let your focus change
Takin out the demons in your range, hey
Livin in a world that's oh so fast
Gotta make your money last
Learn from the past, oh

Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile

Time's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll land

Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile
Oh baby we need to smile

Oh, oh, oh, oh...

Time's a wastin
Don't you take your time young man
Keep on driftin and
Ain't no tellin where you'll land

Ain't no tellin, oh, oh...
