Ye yo, ye yo, ye yo, ye yo  
Help me  
Ye yo, ye yo, ye yo, ye yo

Sometimes, sometimes I get so lonely, lonely, lonely  
I feel all by myself up here  
That's when I take a minute to re evaluate  
All of the things I think are special, yeah

Ooh, like when you wake up in the morning  
And you see the morning sun  
And you need to know the world is on your side  
Who do you run to? Who can you turn to? Come on

Then the evening comes to greet you  
You need someone to hold you close  
And you feel the need to rest your aching mind  
Who can you run to? Who can you turn to?

Well, see the sun's in the east and the moon reflects  
Like the knowledge and wisdom, I manifest  
If you wanna go to Heaven lay up on my breast  
I'm ye ye, you're ye ye

I say the sun's in the east and the moon reflects  
Like the knowledge and wisdom, I manifest  
If you wanna go to Heaven lay up on my breast  
I'm ye ye, you're ye ye ye ye

Ye yo, ye yo, oh, ye yo, ye yo  
Come on ya'll, ye yo, ye yo, ye yo, ye yo  
Ye yo, ye yo

And it makes me say oh  
And it makes me say oh, oh, oh  
And it makes me say ohh, ooh

Ye yo, ye yo, ye yo  
Ye yo, ye yo, ye yo  
Ye yo, ye yo, ye yo
