Bring it over here and let's go back  
Way back, ooh, way back, yeah  
I met him when I was a little girl  
He gave me he gave me poetry  
And he was my first

But in my heart I knew I wasn't the only one  
'Cause when the tables turned he had to break up  
Whenever I got lonely or needed some advice  
He gave me his shoulder his words were very nice

But that is all behind me 'cause now there is no other  
My love is his and his is mine, a friend became the

Love of my life  
You are my friend, love of my life  
I can depend, love of my life  
Wwithout you, baby it feels like a simple true love  
Hope this shit ain't clear

A freak freak, y'all, and ya don't stop  
To the beat y'all and ya don't stop, a freak freak  
Or could it be that it was, all just so simple then  
A teenage lover who said he's just a friend

He moved around and we kept in touch through his  
friend Mike  
The world was young and he knew we couldn't rush  
But whenever I got lonely or needed some advice  
He gave me his shoulder, his words were very nice

But that is all behind me 'cause now there is no other  
My love is his and his is mine, a friend became the

Love of my life  
You are my friend, love of my life  
A dude I can depend, yeah, yeah  
Love of my life  
Feels like a simple true love, yeah  
Hope this shit ain't clear

Y'all know how I met her

We broke up and got back together  
To get her back I had to sweat her  
Thought she roll with bad boys forever in many ways

Them boys may be better, to I had to let her  
(Never)  
She needed cheddar and I understood that  
Lookin' for cheese, that don't make her a hood rat  
(Rat)  
In fact she's a queen to me, her light beams on me  
I love it when she sings to me, it's like that now

Love of my life  
Ooh, you know you rock my world and  
Love of my life  
You be boy and I'll be girl and  
Love of my life  
We don't stop until the break of dawn, ooh

Love of my life  
Ooh, you know you rock my world and  
Love of my life  
You be boy and I'll be girl and  
Love of my life, yeah
