Last night I had the strangest dream

I sailed away to China in a little rowboat to find ya

And you said you had to get your laundry cleaned

Didn't want no one to hold you, What does that mean?

And you said...

Chorus

Ain't nothin' gonna break my stride

Nobody's gonna slow me down

Oh no, I've got to keep on movin'

Ain't nothin' gonna break my stride

I'm running and I won't touch ground

Oh no, I've got to keep on movin'

You're on the road and now you're plain as gone (you
pray you'll last)

The road behind (beyond) was rocky, but now you're
feeling cocky

You look at me and you see your past

Is that the reason why you're running so fast?

And you said...

Chorus

Never let another guy like you, work me over

Never let another guy like you, drag me under

If I meet another guy like you, I will tell him

Never want another guy like you, how to say:

Never let another girl like you whip me over

Never let another girl like you drag me under

If I meet another girl like you I will tell her

Never want another girl like you have to say - oh!)

Chorus x3
