Last night I had the strangest dream  
I sailed away to China in a little row boat to find ya  
And you said you had to get your laundry cleaned  
Didn't want no one to hold you, what does that mean?

And you said, "Ain't nothing gonna break my stride  
Nobody's gonna slow me down, oh no, I've got to keep  
on moving  
Ain't nothing gonna break my stride  
I'm running and I won't touch ground, oh no, I've got  
to keep on moving"

You're on the road and now you pray it lasts  
The road behind was rocky, but now you're feeling  
cocky  
You look at me and you see your past  
Is that the reason why you're running so fast?

And you said, "Ain't nothing gonna break my stride  
Nobody's gonna slow me down, oh no, I've got to keep  
on moving  
Ain't nothing gonna break my stride  
I'm running and I won't touch ground, oh no, I've got  
to keep on moving"

Never let another guy like you work me over  
Never let another guy like you drag me under  
If I need another guy like you, I will tell him  
Never want another guy like you, have to say, hey

Ain't nothing gonna break my stride  
Nobody's gonna slow me down, oh no, I've got to keep  
on moving  
Ain't nothing gonna break my stride,  
I'm running and I won't touch ground, oh no, I've got  
to keep on moving

Ain't nothing gonna break my stride  
Nobody's gonna slow me down, oh no, I've got to keep  
on moving  
Ain't nothing gonna break my stride  
I'm running and I won't touch ground, oh no, I've got

to keep on moving
