Dream on little brother
Let your conscience sleep
Dream on now
This time the cut is far too deep

Dream away
Run with the gun
But the war is over now
And they're going to track you down

Goodbye Joey Rae
I'm writing you this message in the rain
Goodbye Joey Rae
Though I know that we may never meet again

Memories of strange things
In a distant land
Innocence and children
Chase the yellow man

Far away
They sent us then
And you want to shoot them down
But the war is over now

Goodbye Joey Rae
I'm writing you this message in the rain
Goodbye Joey Rae
Though I know that we may never meet again

Goodbye Joey Rae

Even now the memory
Is haunting me
You took a gun today
And set your madness free

I'm breathing
On the window pane
And I'm writing in the rain
I won't be coming back again

Goodbye Joey Rae
I'm writing you this message in the rain
Goodbye Joey Rae
Though I know that we may never meet again

Goodbye Joey Rae
