Tonight I lie in bed
Dreams runnin' round and around my head
I feel so hot, I feel so low
Seems those dreams won't let me go

Won't fade out
(Fade out)
Won't let me be
(Let me be)
So bad it's killing me, dragging me down
My jealousy
(Jealousy, jealousy, jealous)
Oh jealousy
(Jealousy, jealousy, yeah)

Love is cruel and love is blind
But love is creeping from behind

Hot nights full of flames
Burning me up with her free fall games
I feel so hot, I feel so low
Well those memories won't let me go

Won't fade out
(Fade out)
Won't let me be
(Let me be)
So bad it's killing me, dragging me down
My jealousy
(Jealousy, jealousy, jealous)
Oh jealousy
(Jealousy, jealousy, yeah)

Jealousy, jealousy, yeah
Jealousy, jealousy, yeah
