Come on, Come on! Shake your money maker!
Take, take your time do it right tonight
Double down another round
Everybody wears a crown
Wasted space on my face
Send it into outerspace

City of sin, yeah we just can't deny it!
City of sin, yeah we just cannot fight it!
City of sin, raise a glass and lets toast to it
We're singing...
Welcome to the City of Sin!
Sin (x3)
City of Sin
Sin (x4)
City of Sin

Come on, Come on meet me on the top floor
You know you wanna (x2)
So dangerous but I thirst for more
You know I want it (x2)
Double down jump around,
Everybody wears a crown
Wasted space on my face
Send it into outerspace!

City of sin, yeah we just can't deny it
City of sin, yeah we just cannot fight it
City of sin, raise a glass and lets toast to it
We're singing
Welcome to the City of Sin!

Sin (x4)
City of Sin
Sin (x4)
(City of Sin)

City of sin, yeah we just can't deny it
City of sin, yeah we just cannot fight it
City of sin, raise a glass and lets toast to it
We're singing
Welcome to the City of Sin!

Sin (x2)
Welcome to the City of Sin
Sin (x2)
