Am I the only one
Stuck in this endless hallway
I hear voices makin fun
Cause every door that I walk in leads to nothing
What is all of this about
I've been slowly dying out!

I've been down and down this road before,
Now comes my day of reckoning
Can you hear the angels singin'
I hear them call my name!

Your words hit me like a wrecking ball,
Tears through establishments.
I've been through so much suffering,
My patience is running thin.
I've been slowly dyin out!

I've been down and down this road before,
Now comes my day of reckoning.
Can you hear the angels singing,
I hear them call my name.

Can you feel the drummers beating
Their marches shake the earth for me
Can you hear the angels singing
I hear them call my name,
Call my name!

(Sounds)

Oh, no more of this suffering
No more of this war
(X2)

I've been down and down this road before,
Now comes my day of reckoning
Can you hear the angels singin'
I hear them call my name!

Can you feel the drummers beating

Their marches shake the earth for me
Can you hear the angels singing
I hear them call my name, (name, name, name)
Call my name!
