Shes got the gun to my head
Well pull the trigger already baby
Bang bang

She turned my heart blood shot red
But you cant leave me for dead
I'm already dyeing
And I'm waiting

You cannot kill my desire! desire!
Set my love on fire and let it burn
Desire! desire!
Set my love on fire and let it burn

Her face is heaven but she gives me hell
But damn you body's killing me baby band bang
And I cant control myself
You got me down on my knees
And I'm praying
And I'm waiting

You cannot kill my desire! desire!
Set my love on fire and let it burn
Desire! desire!
Set my love on fire and let it burn

LET IT BURN!

And I'm praying
And I'm waiting

You cannot kill my desire! desire!
Set my love on fire

And I'm praying
And I'm waiting

You cannot kill my desire! desire!
Set my love on fire and let it burn
Desire! desire!
Set my love on fire and let it burn
SET MY LOVE ON FIRE LET IT BURN!
