AH COME ON!

[Verse 1]

I can't believe the drama that I'm in
the flood is getting closer
I don't think they know that I know how to swim
your feeling numb from all that has become
it leaves your gums, slips down your tongue
and travels fast down towards your lungs

[Chorus]

all because I'm (leaving you behind)
I feel the pressure
it's coming down on me
it's turning me black and blue
oh woah
you left me on the side of the road (side of the road)
and now I've got no place to go
you brought the flood

woah

[Verse 2]

I can't believe the troubles that you've caused
the pain is getting stronger
like an open wound without the guaze
it's on my brain driving me insane
it's on my mind all of the time
and if it left I would be fine

[Chorus]

all because I'm (leaving you behind)
I feel the pressure
it's coming down on me
it's turning me black and blue
oh woah
you left me on the side of the road (side of the road)
and now I've got no place to go
you brought the flood

leave it be

Oh!
I take it back
take it back
leave it be
I take it back
take it back
leave it be
leave it be
leave it behind

[Chorus] (x2)
I feel the pressure
it's coming down on me
it's turning me black and blue
oh woah
you left me on the side of the road (side of the road)
and now I've got no place to go
you brought the flood

I take it back
take it back
leave it be
I take it back
take it back
leave it be
leave it be
leave it behind
