How did this happen to me?  
I guess I'm to blame  
I'm laying faced down  
On the pavement and I'm full of pain

I just refuse to see  
My mind is anarchy  
Anticipating and debating  
What is left for me

I am a liar  
I am no model figure  
I am a monster  
And I am ashamed

Call me the Devil  
My name's what you prefer  
I come on shameless  
But I am ashamed  
I am ashamed

I look for help  
Can't find it anywhere  
My own reflection  
Is the one sight  
That I cannot bear

Look to the sky and find  
Even the heavens cry  
Anticipating and debating  
What is left to life, life, life, life

[Incomprehensible]  
I am a liar  
I am no model figure  
I am a monster  
And I am ashamed

Call me the Devil  
My name's what you prefer  
I come on shameless  
But I am ashamed

I am ashamed

(I am)

I am a liar

I am no model figure

I am a monster

And I am ashamed

Call me the Devil

My name's what you prefer

I come on shameless

(But I am ashamed)

I am a liar

I am no model figure

I am a monster

And I am ashamed

Call me the Devil

My name's what you prefer

I come on shameless

But I am ashamed

I am ashamed
