Oh aaaaaaaaaahhhhh
This is a problem
They'll stay with me until I R.I.P.
This is a habit
Just for me for anyone I'll be
Cause I can't stand
Send me to my grave
Bury me alive
I don't deserve this
I don't deserve this place

I've medicated myself again
I feel I'm killing my only friend
I've torn this world asunder (under)
Inside it's slipping under

This is how I
Everything is breaking away
My heart is breaking
Now my chance is against my faith
So close my casket
Burn in my grave
Bury me alive
I don't deserve this
I don't deserve this place

I've medicated myself again
I feel I'm killing my only friend
I've torn this world asunder (under)
Inside it's slipping under
(under, under, under, under, under, under)

yeah, yeah
I'm going in
sane
sane, sane sane sane, sane
I'm going in
Oh
sane, sane sane sane, sane
I'm going in
Going insane
