Oh  
aaaaaaaaaaaahhhhh  
This is a problem  
They'll stay with me until I R.I.P.  
This is a habit  
Just for me for anyone I'll be  
Cause I can't stand  
Send me to my grave  
Bury me alive  
I don't deserve this  
I don't deserve this place

I've medicated myself again  
I feel like it's my only friend  
I've torn this world asunder (under)  
Inside it's slipping under

This is how I  
Everything is breaking away  
My heart is breaking  
Now my chance is against my faith  
So close my casket  
Burn in my grave  
Bury me alive  
I don't deserve this  
I don't deserve this place

I've medicated myself again  
I feel like it's my only friend

I've torn this world asunder (under)  
Inside it's slipping under  
(under, under, under, under, under, under)

yeah, yeah  
I'm going in  
sane  
sane, sane sane sane, sane  
I'm going in  
Oh  
sane, sane sane sane, sane  
I'm going in

Going in  
sane

I've medicated myself again  
I feel like it's my only friend  
I've torn this world asunder (under)  
Inside it's slipping under (Slipping under)

I've medicated  
I feel like it's  
I've torn this world asunder (under)  
Inside it's slipping under (Slipping under)

I'm going insane  
I'm going in  
I'm going in  
sane
