How did this happen to me
I guess, I'm to blame
I'm laying faced down on the pavement and I'm full of
pain
I just refuse to see
My mind is Anarchy
Anticipating and debating what is left for me
(Me) [x3]

I am a Liar
I am no model figure
I am a Monster
And I am ashamed
Call me the Devil
My name's what you prefer
I come on shameless
But I am ashamed
I am ashamed

I look for help
Can't find it anywhere
My own reflection is the one sight that I cannot bear
Look to the sky and find
Even the heavens cry
Anticipating and debating what is left to life
(Life) [x3]

I am a Liar
I am no model figure
I am a Monster
And I am ashamed
Call me the Devil
My name's what you prefer
I come on shameless
But I am ashamed
I am ashamed

(I am...)

I am a Liar
I am no model figure

I am a Monster
And I am ashamed
Call me the Devil
My name's what you prefer
I come on shameless
(I am ashamed!)
[X2]

But I am ashamed
I am ashamed!
