You lived your life like you were on fire  
But how can I dance when your soul just lifted me higher and higher and higher?

Paint bleeds, ink runs, image of your love  
Your memory, our history  
(Why did you have to go?)

I'd give up my eyes to see you one last time  
And I'd give all my fingertips to touch you  
And I could paint you picture perfect even if I were blinded  
But you have to die for me to see how to live

(For me to see how, for me to see how oh,  
For me to see how, for me to see how to live)

I lived my life hiding in shadows but now I can see  
'Cause your soul is lifting me higher and higher and higher

Paint bleeds, I can't breathe, need you here with me  
Close my eyes I can feel you close  
(Why did you have to go?)

I'd give up my eyes to see you one last time  
And I'd give all my fingertips to touch you  
And I could paint you picture perfect even if I were blinded  
But you have to die for me to see how to live

Angels fall  
It's not your fault  
Time goes on without you  
Goodbye old friend  
We'll meet again  
Life goes on without you  
(Why did you have to go?)

I'd give up my eyes to see you one last time

And I'd give all my fingertips to touch you  
And I could paint you picture perfect even if I were blinded  
But you have to die for me to see how to live

(For me to see how, for me to see how oh, for me to see how, for me to see how to live)
