Ah come on!

I can't believe the drama that I'm in
The flood is getting closer.
I don't think they know that I know how to swim.
Your feeling numb from all that has become
It leaves your gums, slips down your tongue
And travels fast down towards your lungs.
All because I'm... [leaving you behind]

[Chorus]

I feel the pressure it's coming down on
Me. it's turning me black and blue. Ooh whoa,
You left me on the side of the road, and now
I've got no place to go.
You brought the flood.

I can't believe the troubles that you've caused.
The pain is getting stronger, like
An open wound without the gauze.
It's on my brain, driving me insane.
It's on my mind all of the time and if it
Left I would be fine.
All because I'm... [leaving you behind]

[Chorus]

I feel the pressure it's coming down on
Me.
It's turning me black and blue. Ooh whoa,
You left me on the side of the road, and now
I've got no place to go.
You brought the flood... [flood, flood]

Oh! Leave it be!... hind!
I take it back, take it back!
Leave it be!
I take it back, take it back!
Leave it be
Leave it be
Leave it BE... HIND!

[Chorus x2]

I feel the pressure it's coming down on
Me.
It's turning me black and blue. Ooh whoa,
You left me on the side of the road, and now
I've got no place to go.
You brought the flood.

I feel the pressure it's coming down on
Me.
It's turning me black and blue. Ooh whoa,
You left me on the side of the road, and now
I've got no place to go.
You brought the flood

I take it back, take it back!
Leave it be!
I take it back, take it back!
Leave it be!
Leave it be!
Leave it be!
