We have to find a better way  
out of this tragedy  
as the battle rages on  
blood stains the ground we're on  
My ears hear only screams  
brave soldiers are dying  
one spartan stands alone and shouts  
this war is ours.

THIS WAR IS OURS!

Yes, I will see you  
through the smoke and flames  
on the front lines of war  
we have to find a better way  
and I will stand my ground until the end  
till we conquer them all  
we have to find a better way.

Through the fire and the flames  
a sea of dead drives men insane  
we march the fight into the cold  
this is as far as he will go  
the battle ends on top of here  
this is where we conquer fear  
on blackcount armed our swords  
This War Is Ours.  
Yeah.  
This War Is Ours.

Yes, I will see you  
through the smoke and flames

on the front lines of war  
we have to find a better way  
and I will stand my ground until the end  
till we conquer them all  
we have to find a better way.  
till we conquer them all!

Yes I will meet you.  
through the smoke and flames

on the front lines of war  
and I will stand my ground until the end  
till we conquer them all.

We will conquer them all  
[3x]

THIS WAR IS OURS!  
YEAH!  
THIS WAR IS OURS!

Yes, I will see you  
through the smoke and flames  
on the front lines of war

And I will stand my ground until the end  
till we conquer them all

So I will fight my battle till I fall  
and I conquer them all  
till we conquer them all  
WAR! [7x]

GO. YEAH.  
THIS IS WAR.  
WAR! [7x]  
THIS IS WAR!
