I'm not trying to bring you down  
But you're lost in the clouds  
I've never been one to complain  
But your world around me kills me softly

I don't wanna be demanding  
I just wanna know the reasons why  
We live and die in a world of lies  
Addicted to the way we crash and burn  
I gave it all away now it's your turn  
Watching me watching you  
Don't wanna see the worst in you  
So don't let it come true  
Coming true, coming true, coming true, coming true  
Coming true, coming true, coming true, coming true

Tore me down and made it clear  
As I sunk to the bottom  
I stare at space from the ocean floor  
It all surrounds me, kills me softly

I don't wanna be demanding  
I just wanna know the reasons why  
We live and die in a world of lies  
Addicted to the way we crash and burn  
I gave it all away now it's your turn  
Watching me watching you  
Don't wanna see the worst in you  
So don't let this come true

Cause I don't wanna see the worst in you

This woman tores me through shadows  
In a presence of light  
I'm reaching out my hands  
With my fingers to the sky  
So tell me what I have to do  
I don't wanna tell you to  
I just wanna be with you  
I just wanna make it through

I just wanna make it through this life

Yeah, yeah

Just wanna, just wanna, just wanna, I just wanna  
Just wanna, just wanna, just wanna, I just wanna  
Just wanna, just wanna, just wanna, I just wanna  
Just wanna, just wanna, just wanna, make it through  
this life

I don't wanna be demanding  
I just wanna know the reasons why  
We live and die in a world of lies  
Addicted to the way we crash and burn  
I gave it all away now it's your turn  
Watching me watching you  
Don't wanna see the worst in you  
So don't let this come true  
Cause I don't wanna see the worst in you
