im gettin brainwashed like everyday

id rather be dead than fade away
im gettin brainwashed like everyday

id rather be dead than fade away

im gettin brainwashed like everyday
id rather be dead than fade away

im gettin brainwashed like everyday

id rather be dead than fade away

now i lay me down to sleep before i go to bed

13 ways why yo ass should be dead

now im fucked up fo real still
i used to love dis ho but she went and fuck my boy

this is the real mccooy

still i try to tell myself it'll be alright

still i try to tell myself it'll be alright

still i try to tell myself it'll be alright

but once my mind starts clinkin im losin the fight

im gettin brainwashed like everyday

id rather be dead than fade away

im gettin brainwashed like everyday

id rather be dead than fade away

im gettin brainwashed like everyday
id rather be dead than fade away

im gettin brainwashed like everyday

id rather be dead than fade away

now whos that nigga gettin brainwashed-neva ho

im too clever ho

but whenever yo ass wanna play silly games wit a true
blue

upfront the down stroll

kickin that voodoo

i only had hos who loved to bone
i neva had a ho i could call my own

every nigga in the crew that didnt screw this bitch

i knew

i guess she knew that she was brainwashed like
everyday

id rather be dead than fade away
im gettin brainwashed like everyday

id rather be dead than fade away

im gettin brainwashed like everyday

id rather be dead than fade away
im losin my mind
goin insane like kurt cobain

blowin out my brains for a dane

its the same ol same

everybody knows the 411

call 911 'cause hes got a gun

now whos laughing bitch
lets smoke the flat lines once the hammer clicks

if it sticks then i got a 666

until death do us part

ill be sick 'cause

im gettin brainwashed like everyday

id rather be dead than fade away

im gettin brainwashed like everyday

id rather be dead than fade away

im gettin brainwashed like everyday

id rather be dead than fade away
