[Chorus]

Flatline, Flatline, Flatline, Flatline, Flatline, Flatline,  
Flatline  
Flatline, Flatline, Flatline, Flatline, Flatline, Flatline,  
Flatline  
Flatline, Flatline, Flatline, Flatline, Flatline, Flatline,  
Flatline  
Flatline, Flatline, Flatline, Flatline, Flatline, Flatline,  
Flatline  
Flatline, Flatline, Flatline, Flatline

Once again I've come to getchya  
Hitchya with the razor slitchya  
UnHoly, niggas need to stay up off my dick though  
Sick though, when I hitchya with the wicked rhyme  
Stickin' it in your mind, rewind the Flatline  
Unload, explode, here's the new episode  
Paranoia, can't do nuttin' for ya  
Helter skelter, mind melter, if I feltchya  
If I die, I'm goin to Hell, who do ya tell?  
Run from the Devil, gotta shovel, grave digga  
How you gonna kill a dead nigga, if you figure I'm  
dead?  
Here's the oops upside ya head  
Here's a hot piece a lead, an instead I walk the Flatline

[Chorus]

If I'm on the Flatline's, it means I'm 'bout to lose my  
mind  
Death is the seventh sign, and I'm runnin' outta time,  
so check this  
I'm a suicidal, that means I ain't afraid to die  
If I play the game of death, that means I play the game  
to die

Russian roulette, get my TOOLy and act a FOOLy  
Unruly, you'll see me lose my cool G  
Click, click, click, click, clickity, click, click  
Cock the hammer, and when it slams, God damn,  
(gunshot) bam

[Chorus]

Flatline....Flatline....Flatline....Flatline

Well I walk the Flatlines and I'm 'bout to lose my grip  
Gotta gun in my hand, wrapped around my finger tips  
If I slip then I might catch a hole in my head  
Sceamin' out bloody redrum, for somethin' I said um  
My minds goin' Bedlam, flash backs of Rambo  
So much pressure, I grab my ammo off the dresser  
I'm shacking, I start to tremble  
but Jack be nimble,  
My minds starts crashing like a cymbal  
and I'm in limbo  
To calm me down I think I better count to ten  
but I only made it to nine, I did a flat line

[Chorus]
