Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty

Hey sexy, love that walk  
Hey sexy, love that talk  
Hey sexy, don't you know  
That you are just a freaky ho

Can we get together now  
Do you know what, 'cuz I know how  
Ain't no kinda frontin' honey, I want the cunt and money  
I didn't eat breakfast but I'll take a little nuttin' honey

I know your booty's round, I got no coodie's hoe  
If we get busy then I got to put my footie's down  
It's not [Incomprehensible] plan, it's just a one night  
stand  
I'm not a groupie and I don't wanna be your man

I'm not all in, baby quit callin'  
Me a pervert and quit stallin'  
Bottom line can I nut on ya chest  
All you gotta do is say yes

And be my  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty

Hey sexy, would you blow  
On my dick and make it grow  
If you want to, tell me so  
My dick starts growin' like Pinocchio's nose

Freak me, freak me, baby doll  
Ride this dick for a little while  
In and out and round and round  
Givin' you more than just a pound

I like chocolate with extra cream  
Don't fuck ho's who like to fiend  
It's no fun if the honey's don't scream  
N A T A S it's a tag team

Freak nasty, all upset  
'Cuz she didn't get her pussy wet  
Let me nut all on yo chest  
All you gotta do is say yes

And be my  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty

Hey baby, let's hit the motel  
If you bring the pussy everything a go swell  
I got the condom's, always gotta bang wit' 'em  
Bitches, I'm baggin' em'

Break out the Magnum, condoms  
'Cuz I'm not dumb  
And if you don't use a condom  
You dumb

Hey baby, baby, baby, bet you don't know  
If pussy was a sport I'd be all pro  
Bitches on my dick 'cuz I'm good to go  
Your man got the money but I'm dickin' his ho

Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty

Hey baby, hey sexy  
Hey baby, hey sexy  
Hey baby, hey sexy  
Hey baby, hey sexy

Need to be my

Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty  
Freak nasty, freak nasty
