f/ Dayton Family

Artist: Esham f/ Dayton Family

Album: Tongues

Song: Fuck a Lover

[Esham]

I got an uzi that I sleep wit' unda my covas

I got an uzi that I sleep wit' unda my covas

I got an uzi that I sleep wit' unda my covas

[Esham]

I got an uzi that I sleep wit'

Peep it this ain't no secret

I'm ready to buck 'em down and street sweep shit

My uzi weighs a ton, I got no love for none

My rhymes the bloody ones, assassinated ya sons

No time to reconsider before you commit a murder
dead

Soon as I hit, I seen the blood squirt out 'er head

I got an uzi that I sleep wit' unda my covas

Fuck a lover, she will discova anyway

That I will just stray like a bullet from a gun

When I pull it, never knew what I'ma do it

I'ma do it, ain't no savin' ya life, took ya Life Savers

Every crew wit' murder cravin' done flapped off just
like the 'Raven'

Played 'em before I slayed 'em

These fake ass niggaz, I hate 'em

Just like cop'ers when they raiding, grab the AK then I
sprayed 'em

Made 'em get on the floor then reload and K'ed 'em
some more

Niggaz wanna kill me in my sleep, that's why I sleep wit'
the uzi for

(Chorus)

[Esham]

I got an uzi that I sleep wit' unda my covas

Ready to murder, so fuck a lover [2x]

[Shoestring]

I got an uzi that I sleep wit' unda my covas
Buckin' they brotha
Takin' 'Natural Born Killas' from they mothas
Click and clack it, sit back nigga, watch me wack it
Blow off ya back and ya rhinestones outcha jacket
Snooze ya loose, gotta' 'buze you and Shoe's grippin'
this Uz
Blowin' holes out they shoes, jump out the sandals
Death wish, blow out the candles
I got an uzi wit' no grip or no fuckin' handles
Just a barrel, Shoe straight like a fuckin' sparrow
Straight through ya heart, stick some muthafuckin'
arrow
Murder me man, murder a bitch, murder a gang,
murder insane
Murderin' all for blood stains
Esham and Shoestring step in The D wit' the uzi
They tried to kill me but Boot won't let them niggaz do
me
Plus Ghetto E got my back from any other
Annoyed like a muthafucka up under covers
Uzi..

(Chorus)

[Bootleg]

I gotta tell you, Esham, you get more sleep than me
'Cuz I sleep wit' a glock, my TK, cameras, and a fuckin'
uzi
Plus I been diagnosed wit' bein a schizophrenic
So when I hit that ass and then croak these bitches
panic
I'm up in your house, I'm here (Under ya covas)
When you hit (Under ya covas)
You gon' die (Under ya covas)
So if you wanna have some drink, well have some
redrum
All you gotta do is fuck me over and I'll give you some

[Ghetto E]

My uzi weighs a ton and my guns they won't jam for no
one
My uzi's underneath my blankets bustin' 'till the day
come
For murderous assertive you ain't heard from killas
comin'
Raven look on my bed I see shadows of hearts
strummin'
Watch porno movies wit' my uzi tucked under my
sheets
I be cummin' every time I squeeze the trigga on my

freak

Yes my uzi does a duty when she lays beside my waist

I can't sleep without an extra box of shells tucked

inside my pillow case

My uzi

(Chorus)
