(INTRO)

(two girls talkin)

Girl 1: Girl there go that motherfucker Esham.

Girl 2: Hell gia.

Girl 1: Girl he fucked me and betty and told  
Everybody about that shit girl.

I once knew a bitch by the name of Jill  
I used to fuck her everyday cuz she was on the pill  
I didn't wear no rubber or no type of protection  
Cuz the bitch was straight down in the mid-section  
Now Jill had a problem with her big mouth  
Tellin all her fuckin friends how I bust her out  
And then her friend named Betty  
Tole me she was ready to get fucked  
A nigga like me said "What's up bitch?"  
I got a jimmy hat, she said "Gimme that"  
Next thing ya know, I'm fuckin her from the back  
I bent her over made her touch her toes  
Then this bitch had nut on her clothes  
Damn I gotta go, so I'm out the backdoor  
The booty was kinda tight so my dick was kinda sore  
Bitch got shot with the bop gun  
Cuz when I'm in the pussy it's a hit and run.

(scratchin and cuttin)

I met this bitch on the strip  
Real big booty and big lips  
I spit game and I didn't even know her name but  
She's a ho and a ho's kinda lame  
So I said "Lemme hit the pussy one time"  
She said "Nigga is you out your mind"  
I said "Baby, baby wait a minute, don't act ill, I just  
wanna  
Stick it in and see how it feel I promise I'll take it out."  
But when I got up in that ass that bitch couldnt live  
without  
I started pushin and pullin  
And fuckin and humpin  
Yo, let me tell you somthin  
Then I called the ho the wrong name (wassup Jill)

But I don't give a fuck cuz it's just another dope dame  
That bitch got shot with the bop gun  
Cuz when I'm in the pussy it's a hit and run

(scratchin and cuttin)

This dick of mine is like an automobile  
Crashin in your pussy and it's out to kill  
I'm that nigga your mom's warned you about  
Gimme the pussy and I'ma turn you out  
I don't eat pussy cuz I aint with that  
But if you got a pussy I'd like to hit that  
Let a nun suck my dick if she wanted to  
Take my dick out the mouth  
And then I'd really love to cum on you  
Hit the pussy like a preist gone bad  
I hold the dick that your girlfriend had  
Bitches know me, bitches blow me  
Bitches put they lips on my dick like a O.E.  
Then take a big sip, then I nut on the lip  
Back to the motherfuckin flow show  
Esham's in the house tellin you how the show go  
Bitches get shot with the bop gun  
Cuz when I'm in the pussy it's a hit and run.

(scratchin and cuttin)

(Esham gettin head and leavin)
