My understanding is zero
For the simple fact I'm not a hero

Born broke, beat up and always acting evil

I'm playin for keeps
I gots to carry my shank

And keep my hands on my thang

While I'm checkin my bank

I gots nuthin to lose

But I'd rather be six feet deep

I sing the blues

Cause I'm deep and I don't sleep
My understanding's zero watchin channel fuzz

I don't like the fuzz

I'm like was not was

Then I was not or will be
And if I was not
You better murder me man

I'm tellin ya'll to kill me

The U-N-H-O-L-Y, that's what they call me

My last words is like

"Fuck all ya'll, G"
And when I die I'm takin muthafuckaz out with me

And when I die the meat-wagon's gonna come and get
me
My understanding's zero cause I'm just a zero

I hear no, I say no, I see no, no evil Yo!
Is I crazy, Is I am, Is I am?

So fuck a flim flam
My butcherknife's bloody

And bout your God, bout your God

Your God is money man
In God we trust

The ill rhyme I bust, oh!

I fall into a state, I'm in depression

Playin me a game of true confessions
I want ya'll to know, I want ya'll to know

If you grow up in the ghetto

Your understanding's zero, zero, zero
