"Rocks Off"

Visit "[Rocks Off](#)" on MotoLyrics.com

I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off

I came to get my rocks off, knock the boots and the
socks off
I hope the pussy ain't burnin' like hot sauce
I got my jimmy hat, come on and gimme that
Hairy bloody Mary, hopin' that it's plenty fat

Bend your ass over 'cause I'm goin' in the rectum
Balls in your mouth, yeah I expect them
To be juggle, jiggle, wiggle, and shakin'
Ain't no fakin', 'cause I'm down for pussy dickin'

Got my dick in yo' mouth, all by your gums
I wanna see ya hum, cuz I wanna see me cum
Niggas try to cock block cuz I make they hoes hot
She's got my dick in her mouth

I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off

Bitch, bitch, bitch, bitch, that's what you is to me
Let a nun suck my dick, and the preacher man see
Get buck wild, I like to fuck doggy style
And do it in the alley, slam dunkin' like Sally

With the funk comin' from the female
Pressed on Lee nails, and yet still the pussy smells
These are the tales, the freaky tales
And a stanky pussy bitch can go to hell

Yeah, Esham's back the unholy black devil
Take a stanky bitch to that other level
Ain't no shame, ain't no shame in the hoe
Make me came from where I cum from, bitch give me a
blow

And let her know, it don't pay to be a hoe
'Cause I run up in your pussy like the big foe
I came to get my rocks off

I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off

I came to get my rocks off, big bust big nuts
What's up sluts, hoe, tramp, bitch suck dick all day
Knotty long, dick gone bone, king kong
Get more pussy than a dyke on a dirt bike

Don't like, what I'm talkin' 'bout
Put my dick up in your mouth
Skezzzer, hoe pleaser, pussy teaser
Throw a bitch in the trunk, bumpin' that funk

Hang my nuts on the coconut tree, suck my D I C K
All day, fuck the KKK, shoot a nut like a AK
Spray the whole fuckin' block, a tick tock and you don't
stop
When you're suckin' my cock, I came to get my rocks
off

I came to get my rocks off, my fucking rocks off'
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off

I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
I came to get my rocks off, my fucking rocks off
