A-1 Yola

15a - Unhappy

"(I was dreamin' when I wrote this, so don't quote this.

Watch me flow this.)

[Verse 1]

UNHAPPY...

When you live your life in misery

And you so blind

Can't see

Nothin' but sufferin'

Tired of strugglin'

Hustlin'

Barely gettin' by

I can't lie

Sometimes it make me wanna cry

Hold back the tears inside

Keep all my fears inside

And my pistol by my side

So much anger and aggression

> From manic-depression

I grab my Smith & Wesson

This is just another lesson

I feel like God is testin'

I'm steady askin' questions

'Cause I'm unhappy

[Chorus]

Unhappy (x19)

UNHAPPY...

[Verse 2]

When you unhappy like me

A problem's never solved

You never get involved

The whole world revolves

Around doctor's diagnosis

With symptoms of insanity

Mental casualty

It's sad to see another tragedy

Blasphemy  
Thinkin' too deeply  
Forever sleepy  
A subliminal criminal  
In the darkness, you can't beat me  
Pacsel  
Lithium pills

Benadryl  
Askin' God to forgive me  
I guess this how I was sent to feel  
When he unhappy

[Chorus]  
Unhappy (x19)  
UNHAPPY...

[Verse 3]  
I'm sick and tired of bein' sick and tired  
Fallin' in fire  
Feels like my body is wrapped in barbed wire  
I don't give a fuck no more  
And I just can't take no more  
How the fuck am I supposed to not to bake a cake no  
more?  
And the only thing that's left is love  
'Cause I can't hate no more  
So, if you gonna kill me, do it  
'Cause I just can't wait no more  
Rappers dyin' from rapid fire  
It just ain't safe no more  
Time waits for no man  
And I just can't waste no more  
Steady lookin' at my mistakes  
I can't erase no more  
Demons fallin' from the sky  
This ain't no holy place no more  
God, I swear I'll never put you in second place no more  
'Cause I don't wanna see that look on your face no  
more  
Drugs, I don't chase no more  
That ain't the case no more  
And I finally don't wanna be a disgrace no more  
A guinea pig to this world's rat race, no more  
Russian Roulette in the face with a .44  
I'm unhappy

[Chorus]  
Unhappy x19)  
UNHAPPY..."
