Where my bitch at, the one who sucks dick,
The one who makes that money 'cause she turnin' all
them tricks.
Where my bitch at, she owe me a blow job,
She can't do nuttin' for me 'cause she runnin' wit the
mob,
Where my bitch at, the one with the fake hair,
The one who titty dances and don't wear no underwear.
Where my bitch at, the one who ain't shit,
The one that would eat a hoe pussy and suck a nigga
dick.
I can see it in yo' eyes, you scandalous hoe,
Baby, shake yo' money maker, and make ya dough.
When you in the Brass Key, you doin' it good,
When you in the Black Orchid shake it like you should.
When you in Tiger's Lounge I know you could,
Suck a nigga dick in the corner, girl you would.
I be lookin' for them hoes sellin' pussy in clubs,
All this time you thought that nigga was really a scrub.
When you in the grind, baby, I serves them well,
If yo' pussy stank hoe, use some Massengel.
I'm the millionaire Bruce Wayne, cash for sho',
And I'm lookin' for all the hoes clockin' all the dough.
So where my bitch at?
Where my bitch at, gril?
Where my bitch at?
Where my bitch at, baby?
Where my bitch at?
Where my bitch at, nigga?
Where my bitch at?
Where my bitch at?
Where my bitch at, I heard she kinda nervous,
She said she need some dick, her vibrator is out of
service.
She like to rub her pussy and masturbate,
Doin' 100 on the free way as I ice skate.
Me and my bitch, me and my bitch, me and my bitch
we's a team,
For cookin' up chickens to fuckin' on triple beams.
I never really thought that the hoe was scheme,
Till I caught her in the club poppin' masculines.
My bitch is just a freak, she gives me no respect,

The hoe ain't worse, her welfare check.
If you ever saw my bitch, she wear her panties too
tight,
She sucks a nigga dick befo' we go to sleep at night.
And I ain't here to tell you what's wrong and right,
'cause I could give a fuck less, let them hoes fight,
nigga.
Where my bitch at?
Where my bitch at, baby?
Where my bitch at?
Where my bitch at, girl?
Where my bitch at?
Where my bitch at, baby?
Where my bitch at?
Where my bitch at, nigga?
Where my bitch at?
Is my bitch in Tigers?
No, I think my bitch in the Black Orchid.
Or is my bitch at the Brass Key?
I think my bitch might be down at the Grind.
My bitch might be over at Dere Thatch.
Loose Bin
My bitch might even be in Tycoon's and Player's
Body Rock, Hot Tamally's, nigga.
Where my bitch at, I'm ridin' down 7 Mile lookin' for my
bitch.
See my bitch like to suck dick.
My bitch likes to take that dick in the pussy.
And every hole in her body baby, 'cause she ain't
holdin' 'em up.
Ugh, where my bitch at?
Where my bitch at?
Where my bitch at?
Not your bitch ass nigga
