Got my boys back up in here  
We had to time warp back in time

Whoa,whoa,whoa, whoa  
Whoa,whoa,whoa, whoa  
(In the 50's)

Know, I lay me down to sleep  
I pray to the lord that my bird won't creep  
And if she do, Before I wake  
Please let her have more bread to break

Like a house on a lake  
For goodness sake  
Her name is Little Debbie, and I love her cake  
Make's no difference to me

A key to a "G", still adding up money  
Lovely, keep ya water on bubbly  
What would you do If you was me  
Probably, G of or key-off and sniff it all up  
Until you blow your fucking head off

Whoa,whoa,whoa, whoa  
Whoa,whoa,whoa, whoa  
(In the 50's)

Dream, dream, dream, dream, dream, baby  
Dream, dream, dream, dream, dream, baby  
Dream, dream, dream, dream, dream, baby  
Dream, dream, dream, dream, dream, baby

I thought I saw a pussycat  
I didn't, It was a dirty rat  
In fact, it was a snake, bitch kiss it  
Spitting venom, always dissing, missing

The whole point of whatimsayin'  
Because your bling  
Dream, dream, dream  
When I rode by on bleem

You see me clean  
Looking at me like a fiend  
It was obscene  
With a beauty of the week out of JET magazine

Whoa,whoa,whoa, whoa  
Whoa,whoa,whoa, whoa  
(In the 50's)

Whoa,whoa,whoa, whoa  
Whoa,whoa,whoa, whoa  
(In the 50's)

Whoa,whoa,whoa, whoa  
Whoa,whoa,whoa, whoa  
(In the 50's)
