"Don't stop, body rock,
steppin' hard in my gatas
I'm from Detroit, I'm a playa,
all I know is stack that paypah,
to the left, to the left,
now to the right, to the right,
now stop,
and count that paypah,
stop, and count that paypah,
tell that girl to back it up, walk it out and mack strut,
now everybody prep it up, show'em where yo gat
tucked,

Come on! x6

All I know is blunts are purple,
burnin' rubbah, turnin' circles,
hollow tips and model chicks,
I be the leadah, follow it,
and ride, ride, ride,
just ride, ride, ride,
now ride the east side, the east side, the east side,
now ride the west side, the west side, the west side,
now back it up to the north end, back it up to the north
end,
now cross town to the south side, cross town to the
south side,
and ride, ride, ride, just ride, ride, ride,

Got that Jolly Ranchah flavor,
apple now and lata gata,
I'm the operator with my pocket calculator, check my
information data,
I'm the paypah percolator,
do the smurf, on yo turf, Errol Flynn all you hatas,
to the left, to the left, to the right, to the right,
now stop, and count that paypah,
now stop, and count that paypah,
tell yo girl to back it up, walk it out, then mack strut,
now everybody prep it up, show'em where yo gat
tucked."
