Verse:

you know
i know
that you know
what your doing to me

you cant give me any money
knowing were gonna
starve
be stranded
no electric
no gas
sound about right to you
dont it?
i went out with the girls last night

Chorus:

And i hear everyone calling daddy tonight
calling daddy tonight
calling daddy tonight
calling daddy tonight-ite
But i cant call a daddy tonight
cant call daddy tonight
no daddy tonight
cant call daddy tonight
cant call a daddy tonight-ite
its just impossible

Verse:

you treat my lil bro like crap

you treat my mom like crap and trash
you treat me like dirt
like im not even here
all my friends have these men in their life
called daddy
i went out with the girls tonight

Chorus

Breakdown:

you dont answer the phone half of the time
you dont call unless you want something
or want to know something
no call or see
on x-mas or even birthdays
thats just you
show off all you want but even they say dang
thats enough
i went out with the girls

Chorus x2

i'll never have a chance (x8)
