Ooooh  
I'm so spaced out today  
Ooooh  
I could have slept for days  
It's like a radar  
And it comes  
To you  
From the sea  
From the sea  
From the sea

Ooooh  
She's just so under pain  
Ooooh  
I'm so spaced out today  
My head's a lead weight  
And it comes  
To you  
From the sea  
From the sea  
From the sea

Hello hello oh hello  
(the world repeats itself some how)  
She knows she knows oh she knows  
(The world repeats itself some how)  
Only just beginning to know  
She's only just beginning to know

Ooooh  
There's just no oxygen  
Ooooh  
Why can't we just fall in  
In the sea

Hello hello oh hello  
(the world repeats itself some how)  
She knows she knows oh she knows  
(The world repeats itself some how)

Oh-oh oh-oh-oh oh-oh-oh-oh

oh-oh oh-oh-oh  
Oh-oh oh-oh-oh oh-oh-oh-oh  
oh-oh oh-oh-oh

Hello hello oh hello  
(the world repeats itself some how)  
She knows she knows oh she knows  
(The world repeats itself some how)  
Only just beginning to know  
She's only just beginning to know  
She's only just beginning to know now
