(Carnival Barker speaks)

"Hurry, Hurry!"

"Step right up!"

"See the saddest show in town for only 50 cents!"

Step right up

Hurry, hurry

Before the show begins

My firends

Stand in line

Get your tickets

I hope you will attend

It'll only cost you 50 cents to see

What life has done

To those like you and me

See the man

With the broken heart

You'll see that he is sad

He hurts so bad

(So bad, so bad)

See the girl

Who has lost the only love she ever had

There's got to be

No sadder show to see

No doubt about it

Satisfaction's guaranteed

So let the side show begin

Hurry, hurry

Step right on in

Can't afford to pass it by

Guaranteed to make you cry

Let the side show begin

Hurry, hurry

Step right on in

Can't afford to pass it by

Guaranteed to make you cry

See the man

Who's been crying

For a million years
So many tears
(So many tears)
See the girl
Who's collected broken hearts for souvenirs
It's more exciting than a one man band
The saddest little show in all the land

So let the side show begin
Hurry, hurry
Step right on in
Can't afford to pass it by
Guaranteed to make you cry
Let the side show begin
Hurry, hurry
Step right on in
Can't afford to pass it by
Guaranteed to make you cry

(Musical Interlude)

So let the side show begin
Hurry, hurry
Step right on in
Can't afford to pass it by
Guaranteed to make you cry
Let the side show begin
Hurry, hurry
Step right on in
Can't afford to pass it by
Guaranteed to make you cry
