Trouble sleeping, trouble dreaming of you  
Trouble speaking, trouble thinking of you  
Something strange has happened, I just  
Can't get myself, together, no kind of way for you

Must have put a spell on my mind, you must  
Have put a spell on my mind and turned me around

Trouble seeing, trouble visions of you  
Trouble thinking, trouble control my will to  
Take a bow if you want to, I still can't  
Get myself together, no kind of way for you

Must have put a spell on my mind, oh spell  
Must have put a spell on my mind, you made  
A new man of me, now I feel heavenly for you

Must have a put a spell on my mind  
Must have put a spell on my mind  
I'm under your power baby, oh, spell

Must have put a spell on my mind  
I'm under your power baby, oh, spell  
Must have put a spell on my mind

You see, I gave you everything I had  
But you just pushed me away  
I tried so hard to break loose  
But you gained control everyday

Spell on my mind, I watched you take  
My whole world from me and there was  
Nothing I could do, a secret word  
A hidden touch and I belonged to you, spell

Must have put a spell on my mind  
I'm under your power baby  
Must have put a spell on my mind, oh, spell

Must have put a spell on my mind  
I'm under your power baby, oh, spell  
Must have put a spell on my mind

I'm under your power baby
