Welcome to the club welcome lonely heart

Left me for a dream, cause you thought that the grass  
was greener.  
Now you're back crying to me, case you want sympathy  
from me.  
Did you think that I would take you back just because  
your crying  
Well now the jokes on you, cause your heart has been  
broke in two.

So welcome to the club, welcome to the lonely niceties,  
you did to me  
Welcome to the club welcome lonely heart  
Welcome to the club, now you how sad it feels to  
be\_\_\_\_\_.

Left here all alone, with only a picture to hold on to  
You don't know where to turn cause the one that you  
love is gone  
When you said good bye, you didn't care if I lived or  
died  
So now you'll see how your self how it feels to be left  
behind

So welcome to the club, welcome to the lonely niceties,  
you did to me  
Welcome to the club welcome lonely heart  
Welcome to the club, now you how sad it feels to be  
Like me.
