Well I shut my eyes and the world is dead
Then they open up and I'm born again
Like an empty space in an empty bed

Oh there's a sound that keeps repeating
Going faster as I leave it goes...
Ooh-oh-oh-oh, ooh-oh-oh-oh

I can hear an echo when I'm with you
And I can't seem to let go
Baby I hear an echo when I'm with you

Well I see your face in the shadow moon
Where the echos dance with the ghosts of you
Like an empty space in an empty room

Oh there's a sound that keeps on beating
Going faster as I leave it goes...
Ooh-oh-oh-oh, ooh-oh-oh-oh

I can hear an echo when I'm with you
And I can't seem to let go
And baby I hear an echo
(I hear it)
I can hear an echo when I'm with you
And I can't seem to let go
Baby I hear an echo when I'm with you
Ooh-oh-oh-oh, ooh-oh-oh-oh, ooh-oh-oh-oh

A hundred thousand times it keeps repeating
Ooh-oh-oh-oh
Can you hear it?

I can hear an echo
And I can't seem to let go
Baby I hear an echo

I can hear an echo when I'm with you
And I can't seem to let go
Baby I hear an echo when I'm with you
When I'm with you

Maybe I can't let go of that feeling
