So long
Was it the prettiest face that you know
And hold on
Is it real, is it real
When you don't even know what you feel
Oh no

Well I took the pity
The pity from your pocket
This is real
This is real
And nothing's gonna stop it
Oh no

You gave it all away
Your light fades out like another day
You gave it all away

And how long
And is there anything else I should know

Well I took the pity
The pity from your pocket
This is real
This is real
And nothing's gonna stop it
Oh no

You gave it all away
Your light fades out like another day
You gave it all away
Your light fades out like another day
You gave it all away
Oh no

Well I took the pity
The pity from your pocket
This is real
This is real
And nothing's gonna stop it
Oh no

You gave it all away
Your light fades out like another day
You gave it all away
Your light fades out like another day
You gave it all away
Oh no
Oh no
