You're cute and I like you
Let's go somewhere
Can't wait 'til tomorrow
To dye my hair

Got loaded, got shouted
I like you so, take you home
I'm so sly, oh, you've got
Something in your eye

Say what you will
That's just the way it goes
I buy you a drink, you smile and wink
I'm open to suggestion

Bup, doo, bup, would you like to climb on me?
Would you like some coffee or maybe?
Where am I, rubber? What was her name?
See you later, I'll call you someday

Bup, doo, bup, would you like to climb on me?
Would you like some coffee or maybe?
Where am I, rubber? What was her name?
See you later, I'll call you someday
